[USC Sumter course descriptions and prerequisites](#)

¹ Students who anticipate going into a STEM field like engineering, Elementary Calculus (MAT 130) does not meet the requirement of a Calculus 1 course.

² The EOCEP must be taken after completing BIO 101 and accounts for 20% of the final grade.

³ The EOCEP must be taken after completing HIS 201/202 or HIST 111/112 and accounts for 20% of the final grade. Students must complete each class with a passing grade to substitute it for the HS graduation requirement.
